Introducing Great Lakes Grand Discovery Ports of Call

TWO 10-DAY GRAND EXPLORATIONS OF NORTH AMERICA'S FIVE GREAT LAKES

Embark/Disembark in Chicago, Illinois

Host to one of the busiest airports on the planet, Chicago ranked seventh in the world in the 2014 Global Cities Index and is considered one of the most “walkable” cities in the United States. Its cultural contributions include improvisational comedy (most notably The Second City comedy troupe); jazz, blues, soul, and house music; a rich collection of outdoor public artworks (including the Chicago Picasso); film, theater, and visual arts. The Chicago School and Prairie School of architecture were developed in this city, which was home to famous American architect Frank Lloyd Wright. Chicago’s waterfront location, upscale shopping along the The Magnificent Mile & State Street, and robust nightlife are major draws.

Cleveland, Ohio

Located on the shores of Lake Erie, Cleveland represents the heartland of American life and history. Industrial landmarks from its days as a lakeside manufacturing town still stand in testament to Cleveland’s roots. But the city of today is also filled with beautiful urban spaces and is home to the Rock and Roll Hall of Fame! Here in a striking structure designed by I. M. Pei, you’ll discover more than just a museum of rock and roll memorabilia. With our expert guide, you’ll explore the evolution of the musical genre that shaped a generation and track its cultural impact. Among the exhibits are Janis Joplin’s psychedelic Porsche and Michael Jackson’s famous glove. You’ll also explore the wonderful West Side Market, set in a 1912 landmark and home to more than 100 vendors.

Detroit, Michigan/Windsor, Ontario

Sailing from Lake Huron to Lake Erie, we will call on Windsor, Ontario, known as The City of Roses, or Detroit, Michigan depending on itinerary schedule. Just outside of Detroit, we’ll visit the Henry Ford Museum which was created to document the genius of ordinary people. Housed in a sweeping, nine-acre, single-floor space with soaring 40-foot ceilings the museum is dedicated to showcasing the finest collection of its kind. The sheer scope and design of the museum is as grand as the vision that inspired it. Local experts will escort guests to see the museum’s highlights that include: the limousine that carried President John F. Kennedy on that fateful day in Texas, the bus in which Rosa Parks stood her ground and sparked the Civil Rights movement, and the chair from the Ford Theatre in which Abraham Lincoln was sitting when he was shot.

Ports of Call

Little Current, Manitoulin Islands (Georgian Bay)

Sail into the rugged beauty of Georgian Bay where you'll step ashore in Little Current, the gateway to Manitoulin Island. Learn about the island's nautical heritage as you journey to the Immaculate Conception Church. With its distinctive architecture evoking a teepee, this church is a focal point of the community, bringing together the beliefs of the Ojibwe culture and Catholic Church. At the Ojibwe Cultural Foundation, enjoy a tour through the art galleries and exhibits of this heritage museum. You can browse the artisan shop and participate in a smudging ceremony, an ancient ritual that uses the smoke from cedar, sage, sweet grass and other plants regarded for their healing powers. A drum and dance performance offers further insight into Ojibwe culture.

Mackinac Island, Lake Michigan

We'll awaken in the Straits of Mackinac, which connect Lake Huron to Lake Michigan. With no cars allowed on the island, your horse-drawn carriage tour is a great way to experience the Victorian ambience of this National Historic Landmark. Learn about the island's history and see turn-of-the-century summer homes built by early captains of American industry. High atop a bluff overlooking the Straits of Mackinac, your tour of Fort Mackinac delves into its strategic importance during the War of 1812. Then take in the views from the Grand Hotel's verandah, the longest in the world, and enjoy the hotel's infamous Grand Luncheon Buffet. Back in town, you'll have time to browse through galleries and boutiques. Before sailing this evening, the Grand Hotel's resident historian Bob Tagatz will come onboard for a colorful talk on the history of Mackinac Island and its world-famous hotel.

Niagara Falls (Welland Canal) Port Weller

Opened in 1829, the Welland Canal continues to play a vital role, allowing goods to travel from Great Lakes ports like Cleveland and Detroit to the ocean ports of Montreal and Quebec City. As our ship begins its Canal transit, you'll step off in Port Colborne for a scenic drive into the vineyard-laced landscapes of the Niagara Peninsula. Then a thrilling Hornblower Cruise takes you through the Great Niagara Gorge and past Bridal Veil Falls into the very heart of Horseshoe Falls—where the mighty spray and roar of Niagara virtually envelop you! At the Château des Charmes, founded by a fifth-generation French winegrower, you'll enjoy a tour, tasting and lunch. You'll have free time to explore Niagara-on-the-Lake before re-boarding the M/V Victory I, now docked in Port Weller on Lake Ontario.

Ports of Call

Sault Ste. Marie

In Sault Ste. Marie guests will have the option of a half day tour visiting attractions on either the US or Canadian side of the border.

In Sault Ste. Marie, Ontario, you will visit The Bush Plane Museum and Ermatinger-Clergue National Historic Site. The collections and exhibits of the bush planes tell the story of how these brave Canadians battled Ontario's many forest fires. At the Ermatinger-Clergue National Historic Site, you'll find stone buildings and period gardens from the 1800's.

In Sault Ste. Marie, Michigan you will visit The Valley Camp Museum Ship which houses over 100 exhibits in her 20,000 square feet of cargo holds which contains hundreds of interesting artifacts, paintings, shipwreck items, models, and exhibits of objects related to maritime history. In addition, The Edmund Fitzgerald exhibit holds the two lifeboats from the stricken vessel. Torn away during the sinking, these lifeboats are two of very few major artifacts recovered after the tragic demise.

Soo Locks/Scenic Sailing Lake Superior

Located at the mouth of the St. Mary's river, the twin -"Soo's" - of Sault Ste. Marie Ontario and Michigan were originally established as one settlement by Jesuit missionaries in the 17th century, and remained so until the war of 1812. Today the locks on the American Soo side bypass the St Mary's rapids that fall over 20 feet connecting Lake Superior to Lake Huron and Michigan. The Soo locks are the busiest in the world in terms of tonnage, accommodating 1000 foot freighters. Travelling upstream and arriving from Mackinac Island, the ship will dock on the Canadian side of the river at Roberta Bondar Place, named for Canada's first female astronaut.

Embark/Disembark in Toronto, Ontario

Welcome to Toronto, the most multicultural diverse city on the planet, where over 140 languages are spoken. Toronto is remaking itself as Canada's premier city, quietly slipping out of the shadow of Montreal and Vancouver. Last year, the Queens Quay on Lake Ontario reopened, part of the largest continuing urban revitalization project in North America. The Junction, a former industrial area, has emerged as Toronto's most stylish neighborhood for its bars, live music and coffee shops. And the city is becoming easier to visit: a train now whisks travelers downtown from the airport in 25 minutes, and Air Canada offers extended stopovers for connecting passengers. Toronto has long been known for its cultural diversity and continues to draw major artistic and sporting events, including the Toronto International Film Festival each September, and the 2016 N.B.A. All-Star game, held outside the United States for the first time.
